## Multiple Water Dispensing Machine Registration

### Application Instructions

The **OWNER** of a water-dispensing machine is required to register each machine before the water is offered for sale.

#### Box 1

- A. Please complete all items on the Registration Form FI-153 (04/05). Fill in the full name of the business and address where mail is received.
- B. Please complete the owner name and title.

#### Box 2

- A. List the name of the business at the location where the water-dispensing machine is located.
- B. For those firms with multiple machines located throughout the state, please follow these directions. List each location and then complete attachment FI-171a (4/04) if necessary. A list must be developed for all machines located in Michigan (FI-171a (4/04), is this list). The list must include all of the following: The name of business at which the machine is located, the address where the machine is located, including city, state, zip and county. You must also specify the type of water the machine produces. If you have more than one machine producing the same type of water at a single location please document that also, in the count column of the table. You may reproduce attachment FI-171a as often as needed.
- C. The total fee owed is derived from the computation by adding both the application and the attachment (FI-171a). The total amount due is required with this application. *Please make check or money order payable to: **State of Michigan**.*

#### Product/Machine Registration (attached to this application form.)

- 1. A registration fee of \$25 for each machine is required.
- 2. AMOUNT DUE—Sum the count of machines column and multiply by \$25.00 per machine. This is the total amount required with this application. Carry the total AMOUNT DUE to the front of the application.

#### REMEMBER TO SIGN THE FORM.

Make your remittance payable to "STATE OF MICHIGAN."
